✓ Parties Allowed			

Description

Located in Cannes Californie, Château Saint Georges is a magnificent Belle Époque villa set within landscaped gardens, featuring a spectacular natural stone swimming pool with built-in amphitheatre and panoramic sea views. Nestled on the prestigious Avenue du Roi Albert Ier, just 5 minutes from the city centre and the Croisette beaches, this iconic Riviera landmark embodies quiet luxury and architectural elegance. The property comprises three buildings: the Château, offering 8 double bedrooms including two master en-suites, a semi-professional fully equipped kitchen, dining room, double living room opening onto the fountain and front gardens, as well as a Cognac room with billiard table and wine cellar; the Orangerie, with two master suites, a luxury marble spa, and a glassed-in event ballroom ideal for entertaining or VIP hosting; and the Gatehouse, providing two additional bedrooms, shower, WC, kitchenette, plus a ground-floor two-room apartment with living room, corner kitchen, and bedroom. In total, the estate offers 13 double bedrooms. Additional features include an impressive 160 sqm soundproofed upper garage equipped with sound and lighting system, DJ booth, cocktail bar, and marble floors—perfectly convertible into a private club or event backup space—as well as a second street-level garage for luxury vehicles. Renowned for hosting Film Festival parties, high-end corporate events, and UHNW hospitality, Château Saint Georges also offers exceptional event spaces, including a 90 sqm ballroom with 65 sqm covered terrace, a 160 sqm dancing club with 120 sqm outdoor terrace, south-facing fountain garden (210 sqm), summer kitchen garden (87 sqm), and pool garden (180 sqm), making it one of Cannes' most exclusive and versatile private estates.
